Introduction

CC27-7 is a HD video splitter compatible with HDCVI/HDTVI/AHD/Analogue video formats**. (**Automatic adjustment for full support of different applications. CC27-7 allows for simple installation and is high reliable. The product is recommended for video surveillance, conference systems and Multi-media education systems.

Application

Specifications

Item		Description	
Model		CC27-7	
Function	Input Channel	1ch	
	Splitting Channel	4ch	
Power	Power	12DC	
	Consumption	<3W	
Video	Coax	BNC-F	
	Compatible video	HD-TVI,HD-CVI,AHD,Analogue Video	
	Signal input Bandw idth	0-75MHz	
	Signal output Bandw idth	200MHz(-3dB)	
Adjustment	Brightness and Contrast	Adjusting Knob	
LED Indication	Power LED	Blue	
Protection	ESD	Level 3 Per: IEC61000-4-2	
Environment	Working Temperature	0～55℃	
	Storage Temperature	-20℃～70℃	
	Humidity	0-95%	
Physical Property	Size	160mm84mm32mm	
	Case	Iron	
	Color	Black	
	N.W.	430g	450g
