User-friendly audio alerts.

This C1T camera also comes with three audio alert modes for motion detection – silent, short beep, and siren. Want to hear your visitors while you are in another room? Set the camera on siren mode so you will hear the alert loud and clear.

Instant motion notifications.

Know everything that's going on in your house while you're away. You can receive instant notifications whenever the C1T detects any motion, then easily check details via the EZVIZ App.

Real-time conversation.

Like an ordinary phone call, talk to your family or pets at home wherever you are via the EZVIZ App.

Super vision, even at night.

Get round-the-clock protection with the C1T. This camera lets you see what's happening clearly with a range of up to 12 meters (39.6 ft.) even at night.

Easy to set up and use.

Set up the camera in only a few minutes. Just plug in the camera, connect it to Wi-Fi, and follow the guidance prompts on the EZVIZ App.
