## DATASHEET / BROCHURE

Create the big screen experience with this high-quality, long-lasting and flexible projector for the home and office, with WXGA resolution.

Here's a projector the whole family can enjoy; from watching box sets to delivering sharp presentations, this WXGA projector has the tools for the job. There's no need to worry about ambient light; it produces a bright and clear display with 3,000 lumens and 3LCD technology. It's also easy to transport and set up. And its incredibly long lamp life means it's great value for money.

### Bigger is better

Whether you're watching your favourite film or delivering a presentation, this projector can achieve an impressive 378 inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products<sup>1</sup>, thanks to its bright and vivid colours. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

### High-quality, bright images

Even in bright rooms, this powerful yet affordable WXGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,000 lumens.

### Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? This model's long-lasting lamp light source provides you with 18 years' worth of entertainment<sup>2</sup>.

### Plug and play

Here's a projector that's designed with portability and quick set up in mind. Its compact design makes it easy to move from room to room, and you can quickly position the image with keystone correction and access content simply with the HDMI input.
