Paper Tray

Productivity that goes

Beyond Performance

Expanded paper handling capacity

In a busy workplace, frequent refills of your printer's paper tray can be disruptive. With a 250 sheet dust-free paper tray and 35 sheet auto document feeder, on the multi-function centres, you can stay productive for longer stretches at a time.

Impressive print performance and quality

Count on business-class print and copy speeds of up to 30ppm, fast first-page-out of less than 8.5 seconds, and excellent black print quality for sharp, clear text, charts and images.

Connectivity

Made Simple

Connect Wirelessly

Connect your mobile device to your printer effortlessly with one-touch wireless set-up. Simply connect your printer to any WiFi compatible mobile device without the need for a router or hotspot, and you are ready to print from or scan to your mobile device directly. WiFi direct makes it easy to print emails, webpages and documents.

Mobile Print

Start printing or scanning from your smart device. Use the iPrint&Scan app, Apple Airprint or Mopria Print Service to print and scan straight from your iPhone, iPad or Android™ device

Peace of Mind

Guaranteed

When you purchase a Brother printer and our genuine inks or toners, we'll support you every step of the way with our FREE 5-year* warranty commitment. YOU DO NOT NEED TO REGISTER YOUR PRODUCT, our warranty is automatic when you purchase your Brother product. With Brother, you can have peace of mind that we are always "At Your Side".

To keep your Brother printer running in optimal condition we recommend that you use only Brother Genuine Consumables, this will ensure you automatically enjoy our exclusive 5-year warranty on your printer.

*Effective 1 June 2020. Only valid for purchases in South Africa.

Keep your

Running Costs Low

Cost-efficient Toner Supplies

Enjoy greater print volumes at lower costs-per-page with 2,600-page high yield* toners included in the box

Automatic 2-sided Printing

With automatic 2-sided printing, you can easily set all print jobs to print on both sides of the paper, cutting down costs and paper waste by up to 50%.
