Printing

Daily documents expressed in incredible hues. Present your prints with vivid accuracy in full detail through Brother's series of single and multifunction colour laser printers. Designed for the modern office and it's workflow, each model in the range is crafted with rich utilities and productivity functions that enhance daily operations. Experience colour printing that is true to life, just as you imagined it.

# Colours That Go Beyond

01

## True to Life

Professional printouts that are vibrantly accurate. Brother's leading LED technology means that colours produced by the HL-L3280CDW are crisp and sharp, with smooth and natural gradients. Reduce the guesswork and unnecessary reprints as documents are printed as accurately as how they appeared on screen.

02

## Meet High Volume Printing Needs

Print so much more at a fraction of the cost for greater value overall. With Brother's toners, the HL-L3280CDW offers incredibly efficient print usage rates that reduce the need for frequent replacements. Print costs are averaged out over a longer period of time as well, keeping Total Cost of Ownership (TCO) low.

\* Approximate cartridge yield is declared in accordance with ISO/IEC 19798.

A hand holding a printed document. The document displays two large numbers: '3,000' and '2,300'. The '3,000' is in black and the '2,300' is in blue, green, and yellow. Below each number is the word 'PAGES' and a small icon of a document. The text 'CARTRIDGES YIELD:' is at the top. The background shows a stack of papers and a printer.

**CARTRIDGES YIELD:**

UP TO <b>3,000</b> PAGES ≡ on black* prints	UP TO <b>2,300</b> PAGES ≡ on colour* prints
--	---

03

## Fast Prints on Demand

Speed when you need it. Both colour and black and white documents print at impressive output speeds of up to 26ppm for A4, on various supported media types. Have documents ready on time as productivity is improved thanks to less time spent waiting.

# Small & Silent

04

## Quiet Operations

Print documents quietly with Quiet Mode. Ready Mode can also be used to ensure that the printer runs silently while on standby.

05

## Compact-sized for Flexibility

The HL-L3280CDW can be integrated into workflows with ease and flexibility due to its compact size, helping you to improve productivity in any workspace.

# Cost & Resource Saving Prints

06

## At your side Free, automatic 5-Year On-Site Warranty

When you purchase a Brother printer and our genuine inks or toners, we'll support you every step of the way with our FREE 5-year warranty commitment. YOU DO NOT NEED TO REGISTER YOUR PRODUCT, our warranty is automatic when you purchase your Brother printer.

Auto 2-sided  
Printing

07

## Up To 50% Less Paper Waste

Automatic 2-sided (duplex) printing saves up to 50% on paper and in the long run, saves on costs.

08

## Enhanced Sharing Accessibility

Built-in Wi-Fi/Wireless LAN (2.4GHz) and Gigabit Ethernet on the HL-L3280CDW allows for effortless sharing of your printer over the same network.

09

## Connectivity for Convenience

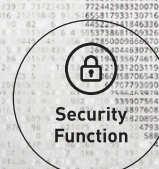

Print your documents from mobile devices using the Brother Mobile Connect application\*. Applications such as WebConnect\* also assist with seamless printing.

\* The printer and the application must be on the same network to function properly.

10

## Secure Your Important Documents

The Secure Print function ensures documents are not copied or read by unauthorised users without the required 4-digit PIN. Unretrieved documents are automatically deleted, saving costs in an environmentally friendly way.
